

# PUBG Mobile

## SQUAD RULES :-

- All players must use their Mobile Phones to play the game and all players must install the newest version of the game in order to participate in competition.
- Each team must have four players. Every team member must be present at venue throughout the duration of the match. If a team found having a player from outside will be disqualified.
- Any emulators, hacks and any other 3<sup>rd</sup> party software/tool which gives players undue advantage are not allowed.
- Organizers will be spectating the match. If players from different teams found to be teaming up the whole squad will be disqualified.
- If any particular player is known to be using emulators or any kind of 3<sup>rd</sup> party tools/hacks which allows players to play the game in PC, the whole squad will get disqualified from the competition. The intentional use of any bugs, glitches or errors in the game is strictly forbidden.
- In case a player gets disconnected from a match, the squad is allowed to continue to play the match at a disadvantage.
- In case of disconnects and lag issues match will be restarted.
- Rankings of the teams will be decided on the basis of total number of points.
