

Poker Royale

Game Type: Texas Holdem Poker

Steps to register on 9stacks before the tournament:

- Sign up on www.9stacks.com with your mobile number, by clicking on 'Create Account' on the top right corner
- Verify your number via the OTPs sent to the number that will take you to the sign-up page.
- Give yourself a fun username (for eg: Chuparustam, jagatguru etc). Do not enter the mobile number and special initials like '@' ";" etc and fill out the complete sign-up form
- Before submitting, use the sign-up code: IITJ2019 when signing up and enter it in the 'do you have a promo code/sign up code' section.
- Complete level 2 KYC here(www.9stacks.com/you/kyc) to verify your PAN Number and email address to get Rs. 100 added

Also, the deposit code to deposit Rs. 100 each is: **IITJ100**

How to deposit?

1. Go to www.9stacks.com and log in with your details.
2. On the left side menu (3 horizontal lines), click on User ---> Account -----> Make a deposit.
3. Enter amount Rs. 100 and use the deposit code: IITJ100
4. Complete the payment using your favored payment method
5. On completion of the payment, click on 'Add to Poker Balance' to start playing on 9stacks.com

Reward: Once the users deposit using this code, they get a free entry to the live informal poker tournament (Rs. 25,000 prize money) at IITJ + Free ticket to Sunday Xtreme tournament (Rs. 1,00,000 Prize Money)

Please note, the tournament entry will be through either completing either KYC2 or making a deposit of Rs. 200 or both.
